ORDER

G. O. Rt. No. 738/67/Edn.

Dated, Trivandrum, 15th March 1967.

Read:—1. G. O. MS. 43/67/Edn. dtd 1-2-1967.

2. Letter dated 3-3-1967 from Shri V. S. Ouseph, Senator Member, University of Kerala, "Brth" Natanehira, Trivandrum-15.

Paragraph 5(i) and (ii) of the G. O. read above laying down the principles for the fixation of pay in the revised scales sanctioned for private college Teachers is extracted below:—

"(1) One post of I Grade Professor will be allowed for each Post-Graduate Department. There will not be any II Grade Professor for those Departments.

(2) There will be one II Grade Professor for each Department for the Degree Course."

2. A doubt has now been raised whether in a Department providing instructions both for Post-Graduate and Degree courses in a subject in a College, one I Grade Professor for the Post-Graduate Section and one II Grade Professor for the Degree Section would be allowed. According to the provision in the Grant-in-aid Code, one Professor Grade I alone will be allowed in a College in a Department providing both Degree and Post-Graduate Courses. It is therefore clarified that for a department having both Post-Graduate and Degree courses in a College only a Professor Grade I will be allowed and no Grade II Professor will be allowed in addition to the Grade I Professor referred to above.

By order of the Governor,
K. C. RAMAKRISHNA PILLAI,
Deputy Secretary.

No. G3-4466/67.

9th February 1967.

The Maramea Desabhiavardhini Co-operative Society No. 665 was registered on 8-12-1941 and started working on 26-6-1941. As the affairs of the society were not satisfactory an enquiry under Section 45 of the Travancore-Cochin Co-operative Societies Act was held into the constitution, working and financial position of the society. The enquiry revealed that the society ceased to serve the purposes for which it was registered. Though this is an agricultural credit society, its main business is the running of a ration shop. The credit activities have been ignored. The members are not getting any benefit from the society.

At the time of enquiry, there were 161 members on the rolls of the Society with a paid up share capital of Rs. 2,306-40. Out of these, 11 members are share defaulters. A sum of Rs. 1,080 is due from the members under loans. Of this Rs. 985 has become overdue. No action has been taken for its realisation. Now the main business of the society is the running of a ration shop with the funds advanced by the President and Secretary. The Committee Members and the members of the General Body are not interested in the working of the Society. The General Body meeting held on 1-5-1966 at the instance of the Enquiry Officer was attended by 20 members only. They resolved to request for two months' time to rectify the defects and improve the condition of the society. But there is no progress in the affairs of the society, though sufficient time has been given to revive its affairs. There is a regional Co-operative Bank functioning in the area of operation of the society. The Enquiry Officer as well as the Deputy Registrar, Alappuzha have therefore recommended to wind up the affairs of the Society.

In the circumstances, I hereby order under Section 51 of the Travancore-Cochin Co-operative Societies Act that the affairs of the Maramea Desabhiavardhini Co-operative Society No. 665 be wound up.

The Liquidation Inspector, Thrivavalla, is appointed to be the Liquidator of the society. He will take charge of the assets and records of the society immediately and proceed to wind up its affairs after the statutory period of 2 months.

No. G3-73963/66.

14th February 1967.

The Kummam Co-operative Society No. 956 was registered on 29-3-1900 (M. E.) and started work on 1-11-1909 (M. E.). As the affairs of the society were not satisfactory, an enquiry under section 45 of the Travancore-Cochin Co-operative Societies Act was held into the constitution, working and financial position of the society. The enquiry revealed that the society has ceased to serve the purpose for which it was registered. The Society with its slender resources could not meet the credit requirements of its members.

At the time of enquiry there were 56 members on the rolls of the society with a paid up share capital of Rs. 1,810. Committee and General body meetings were not held regularly. The Committee Members and the members of the General Body are not interested in the working of the Society. A sum of Rs. 1,662-82 is due from the members under loans and no effective steps have been taken to realise the arrears. Attempts to amalgamate the society with the Agmooram Service Co-operative Bank Ltd. No. 759, have failed in failure. It is reported that the Society cannot function as a viable unit. Though sufficient time was granted to improve its working the society could not achieve any progress. There is a good working service Co-operative Society in the area of operation of the society. The Enquiry Officer as well as the Deputy Registrar of Co-operative Societies, Kottayam, have therefore recommended to wind up the affairs of the society.

In the circumstances I hereby order under section 51 of the Travancore-Cochin Co-operative Societies Act that the affairs of the Kummam Co-operative Society No. 956 be wound up. The Liquidation Inspector of Co-operative Societies, Kottayam is
